To the Trade

IN presenting our catalog of PERFECTION Workingmen's Clothing we believe we are offering a line second to none and in many respects superior to any other line on the market.

Having been manufacturing Perfection Workingmen's Clothing for many years, and our constant aim always being to improve the quality whenever possible, we are sure we can serve you to your entire satisfaction.

If you have not been handling the Perfection line we suggest a trial order and have no doubt you will be pleased, and your duplicate orders will follow.

We earnestly solicit your orders, with the assurance of our best service.

Awaiting your favors, we remain

Yours respectfully,

ADAM H. BARTEL CO.

The Perfection Shirt

No. 1825

The Perfection shirt has been developed with the idea of giving the wearer everything to be desired in a work shirt.

Only standard fast color materials are used, finished 36 inches long, with 48 inch body on size 16.

The sleeves are long and extra wide at the elbows and are finished with an extra button on the placket.

The collar is interlined on all light weight materials and the shirt is double stitched throughout and finished with pearl buttons.

Sizes 14 to 19.

Styles in stock, see opposite page.
